

The Forest View Veterans Memorial Committee is building a list of all village residents who have served in the US military since World War I to present day.

Since older records are incomplete or lost, and others are not yet made public, we have to rely on personal memories and historical research.

We currently have identified over 160 individuals from Forest View who have served. We ask for your help in completing our list of honorees.

Please send names of family members or neighbors, along with any other information, to the address below or send email to vetmemcom@forestview-il.org.

Village of Forest View
