NEWSLETTER

Happy Spring

2019

VIEW POINTS

FROM THE DESK OF THE PRESIDENT

Dear Residents:

I am honored to be your new Village President. I have been on this Board for 25 years and now as President I will continue to do what is best for my Forest View family (the residents). I would also like to thank David Figueroa for filling my Trustee's position after I became President (see his bio later in this Newsletter). Along with our other Board of Trustees, going forward, our goal is to continue to provide quality services to our residents in the most cost efficient manner. We are a small community and look to enact common sense ordinances and to maintain a good quality of life for our residents.

Businesses are an integral to the Village's economic vitality and we have numerous businesses that are re-investing in our community with reconstruction and renovation projects. Please support our local businesses! We also are grateful to our business community for their contributions in helping to resurrect the great Village Picnic last year. We look forward to a repeat of another successful Village Picnic on June 22nd...mark your calendar and come on out!

Due to the resignation of Village Treasurer, resident Judith "Judy" Pohanka, the Village is looking to appoint a new Village Treasurer who also will sit on the Fire and Police Pension Boards. If you are looking to be more involved in "your" community, and preferably have an accounting background, please consider this role and contact Village Administrator, Mark Masciola, or myself. Judy faithfully and efficiently performed the duties as Treasurer for three years. Thank you, Judy, for your outstanding service and dedication to your Village. We wish Judy, and her husband, Gary, all the best as they enjoy newfound "free time/retirement".

The Village is also seeking a Superintendent of Public Works and Water. Current Superintendent Robert "Bob" Macha will be retiring (see article later in this Newsletter). The Superintendent is responsible for the day-to-day operations of the Public Works department and the Village's water system. Class "C" Water Operator license is one requirement. For more information, a job description and employment application are available at the Village Office.

Memorial Day, and each day, we are grateful and honor Forest View veterans as well as all armed forces veterans. May we never forget their sacrifices.

See you at the Village Picnic if not sooner. If you have any questions, please feel free to call the Village Office at 708-788-3429 and ask for Mark Masciola, Village Administrator, or myself.

Thank you to my fellow residents for your support moving forward. You are a key element in keeping our small town friendliness and charm. Enjoy the longer days and sunlight.

Respectfully,

2019 VILLAGE PICNIC

SOMEONE YOU SHOULD KNOW

Meet Your New Village **President** **LAWRENCE POWELL**

Lawrence "Larry" Powell was appointed Village President on December 11, 2018 to serve out the remaining term (until 2021 election) of Thomas Heller who resigned as Village President. Larry has been a Trustee since 1997 and has valuable experience in local government. He earned his Bachelor's degree in Civil Engineering from Southern Illinois University and has had a 39 year career in the Railroad Industry, 36 years with Metra. He and his wife, Sharon, have resided in the Village for 25 years raising two daughters (Ann and Mary) and one son (Joseph). They now are the proud grandparents of two beautiful grandchildren (Hannah & Daniel).

Please join in congratulating Village President Powell.

Meet Your New Village **Trustee** **DAVID FIGUEROA**

David Figueroa was appointed to the Village Board on January 16, 2019 to serve out the remaining term (until upcoming April 2019 election) of former Trustee Larry Powell. David was born and raised in Jersey City, New Jersey and attended St. Peter's College in Jersey City prior to relocating to the northwest Chicago area. For the past three years, he is in the marketing department at Relias Health and prior was a service director at Emergency 24 for over twelve years. David and his wife, Omaid, have resided in the Village for nearly 14 years and have a son (David) and daughter (Miraya). They fundraise and volunteer their time for Special Olympics in which their son is a member.

Please join in welcoming Trustee Figueroa.

FROM THE VILLAGE OFFICE...

NEW!

Important Notice

ANNUAL DOG LICENSE/TAG

We would like to take this opportunity to remind all residents our Village Ordinance requires that **all dogs be licensed annually** with the Village Office and wear an up-to-date dog identification tag. To make it not only *easier to remember* but also more *convenient* to do so, 2019-2020 dog license/identification tag(s) should now be purchased along with the purchase of your vehicle sticker(s) in the month of June per Village Code. One stop! So please look for Dog License Registration form(s) along with Vehicle Sticker Application(s) in your mailbox around June 3rd. To obtain a license, owners should bring registration form and must show proof of a current rabies vaccination to the Village Office. The dog license/identification tag is only \$1.00. Dog identification registration tags are helpful to the pet owner should the dog get lost. As a reminder, per Village Code, no more than three (3) dogs are allowed per residence. Don't be subject to a \$50.00 citation, **please remember to purchase your dog license(s) this June...and every June thereafter!**

LOCAL ELECTIONS

Local elections will be held on **Tuesday, April 2, 2019** at the Village Hall in the Art Treckler Room located on the second floor. Polls are open from 6:00 a.m. to 7:00 p.m. The April 2019 ballot will ask you to select Trustees to serve on the Village Board.

Village Board Trustees

Also on the ballot you will be asked to select candidates seeking office for: Library, Park, and School Boards.

Early Voting – For your convenience, any registered suburban voter may cast a ballot at one of the Cook County Clerk’s early voting sites from **Monday, March 18th through Monday, April 1st**. Voters do not need to provide an excuse or reason why they cannot make it to the polls on Election Day. The Stickney-Forest View Public Library has once again been designated an early voting site. Hours are March 18–March 22/ 9:00-5:00; March 25–March 29/ 9:00-7:00; Saturdays March 23 and March 30/ 9:00-5:00; Sundays March 24 and March 31/ 10:00-4:00; and April 1/ 9:00-5:00.

NOTE: You can Register to Vote at Early Voting Sites.

Vote by Mail – Any registered suburban Cook County voter may request a mail ballot by using an online application (go to www.cookcountyclerk.com) or pick-up paper application at the Village Office or call the Cook County Clerk’s Office at 312-603-0946 and request one.

VEHICLE STICKERS SALES

Looking ahead, vehicle stickers for 2019-2020 will go on sale in the Village Office on **Monday, June 3, 2019**.

Applications for vehicle stickers will be delivered around June 3rd. If you do not receive an application for a vehicle sticker, please contact the Village Office or stop by and obtain a blank application. It is the responsibility of each resident to purchase the appropriate vehicle stickers each and every year. License plate numbers are required on all vehicle sticker applications. The new stickers should be displayed on your windshield no later than July 1, 2019. **Stickers purchased after June 30th will be subject to a late penalty fee.**

FROM THE VILLAGE OFFICE...

Reminder!

BUILDING PERMITS

Most indoor and outdoor home improvement projects and structural remodeling projects (whether doing the work yourself or by a contractor) require building permits obtained from the Village Office before any work can begin.

Examples of projects requiring a permit include (but not limited to) the following: electrical and plumbing work, HVAC, basement finish-out, roof, windows, siding, fence, swimming pool, shed, patio, deck. **If you're not sure if a permit is required, please call the Village Office at 708-788-3429.** Some building permits require a fee, however many projects there is no fee at all for the permit.

Penalty for Work Started With No Building Permit: \$100.00 fine plus penalty amount equal to double the cost of the permit.

Permits are required to insure that the work adheres to Forest View Building Codes. Also permits can guarantee that a contractor is insured and bonded and the homeowner is protected from fraud.

Before You Dig, Call (or Click) JULIE

If you are planning an outdoor project, call JULIE before you dig to avoid injury and/or damage to underground utilities. Simply call 811 or 1/800/892-0123. The call is free and so are the services. Call center representatives are available 24 hours a day, seven days a week. Or you can log on to www.illinois1call.com and click e-request to enter your request.

Garage Sales

Spring/summer cleaning in many cases means garage sales. Just as a reminder, sales are limited to two (2) per household per year. There is no fee to hold a sale, but a permit is required. Permits should be obtained at the Village Office three (3) days prior to the planned sale. Sale hours are limited between the hours of **9:00 a.m. and 5:00 p.m.** and sales cannot last more than three (3) consecutive days. Regular items found around the house are allowable in garage sales; however arts and craft items are not. All advertisements must be removed from the parkway within 24 hours of the completion of the sale, and **at no time are signs to be placed on street light poles, stop signs or parking signs.**

PUBLIC WORKS

YARD WASTE

Yard waste pick-up officially will begin again on **Wednesday, April 3rd**. Grass, branches, leaves, and other natural waste can be put into brown yard waste bags or into containers not exceeding 35 gallon size with **COMPOST ONLY** stickers attached. If you need stickers, they are available free of charge in the Village Office.

LAWN MAINTENANCE

Homeowners can help keep our community neat and attractive by regularly mowing their lawns. Please do not mow/divert the grass into the street as it will clog up the sewer system. **Forest View Village Code requires that grass/weeds be maintained at a height of five inches (5") or less.** Grass/weeds that are neglected and allowed to grow longer than 5 inches is considered a nuisance and the Public Works crew may cut and bill property owner or lessee \$150.00 for the 1st cutting and \$325.00 for subsequent cuttings during the same calendar year. *Please be considerate of your neighbors and community by keeping your lawn mowed.*

PARKWAY TREES

Remember, trees that are located on the parkway belong to the Village and **cannot be cut or trimmed by residents**. If you have a concern about a tree on your parkway, please contact the Public Works Department at 708-788-3429.

PLEASE NOTE: The Public Works Department will only pick-up dead animals located on a Village street, sidewalk, or parkway. It is the responsibility of property owners' to collect a dead animal on their own property. It is suggested to wear gloves and use double bags when doing so and dispose in garbage tote. Stickney Township does not pick-up dead animals on private property either with the exception of domestic animals, e.g. dogs and cats so they can be scanned. They will, however, pick-up injured or sick looking animals.

The Stickney Township Animal Control Department has advised the Village that raccoons right now are coming down with distemper. They advise residents to keep their dogs up-to-date on their distemper and rabies shots.

STICKNEY TOWNSHIP ANIMAL CONTROL....

Please call the Stickney Township Animal Control Department at 708-424-9200 Monday thru Friday, 8:30 a.m. to 4:00 p.m. to report animal concerns.

WATER DEPARTMENT

The 2018 Water Meter Replacement Program has been completed. We thank property owners for their cooperation in the change-out of their water meter. The new meters replace meters installed more than 15-20 years ago. These new meters will ensure accuracy in water usage readings.

THANK
YOU

ROBERT MACHA
SUPERINTENDENT
PUBLIC WORKS & WATER

Robert “Bob” Macha has had a long career with the Village of Forest View. He started his employment as a Civil Defense Police Officer in 1968. He also held the position of auxiliary police officer. In 1985, he started with the public works department as a part-time employee and became full-time in 1989. He advanced to the position of Assistant Superintendent Water and Public Works in 2004 and in 2015 took the helm as Superintendent. That makes for a total of over *50 years* serving the residents of the Village. As Superintendent, Bob oversees two full-time and two part-time employees. He oversees the day-to-day operations of the Public Works Department including maintenance of streets, water and treatment plant, sewers and storm drains, sidewalks, street lights, trees, snow/ice removal, municipal building and grounds operations. Bob is an expert in the Village’s water system, all 6.3 miles of water mains, 288 service line connections, 57 water main valves, 65 fire hydrants not to mention adherence to EPA health standards, pumpage, pressure, etc. Being our veteran staff member, Bob is our “go-to-guy” and his knowledge and presence will be sorely missed.

Bob resided in Forest View for 61 years. He grew up here and later married his wife, Annmarie, and they continued to live in the Village raising their two daughters until moving to the south suburbs in 2016.

Bob will be retiring later this spring and a search is underway for his replacement.

We wish him and his family all the best in his well-deserved retirement. Thank you, Bob, for your many years of service and dedication to the Village of Forest View. You will certainly be missed by fellow employees and residents alike. *ALL THE BEST!*

POLICE DEPARTMENT

CodeRED – Sign-Up Today

On January 28th and 29th, the Police Department sent out a CodeRED to all those subscribers in the Village. The purpose was to inform residents that the regularly scheduled Wednesday refuse and recycling collections would be delayed due to extreme weather conditions. In addition, subscribers were notified a warming center would be available and to contact the Forest View Police Department for information. If you are a subscriber to the CodeRED system and did not receive this notification, please let the Police Department know at 708-788-0318.

Remember: If you previously enrolled in CodeRED but have subsequently changed your home or cell phone number or email, you must re-register/update your contact information in order to receive messages.

The Police Department encourages ALL residents to subscribe to this **FREE** program. Please stop by the Village Office or Police Department to fill out an application or call the Village Office at 708-788-3429 and we can email you the application.

ADVANCED TRAINING

Officer Jesus Carrillo was recently certified as CIT (crisis intervention training) officer. As such, he's a specialized officer able to deal with the escalation of special needs or mental health persons who may be involved in a situation. In 2019, it's the department's goal for all officers to be CIT trained.

**VILLAGE CODE
CORNER**

Title 9 - TRAFFIC
CHAPTER 2 PARKING REGULATIONS

The Village Board recently approved an Ordinance prohibiting the parking of certain vehicles in the parkway by adding the following to the Village Code:

**(E) Recreational Vehicle Parking
Regulations**

No recreational vehicle, including camping, trailer, motor home, mini motor home, travel trailer, truck camper, van camper or boat may be parked on either a paved or unpaved surface on any Village parkway in a residential zoning district.

Also, residents are reminded that parking across neighborhood sidewalks is prohibited. Blocking the sidewalk poses problems for children walking to school, people with handicaps, joggers, dog walkers. Be a good neighbor, and please don't block sidewalks.

POLICE DEPARTMENT

COMMUNITY INVOLVEMENT

Members of the Forest View and Stickney Police Departments will be participating in a first ever COPS and KIDS outing with Home School PTO tentatively set for April 2019. Students from 4th and 5th grades will be attending a White Sox game with police officers as the students' chaperones. This will give the students a chance to interact and spend time with these positive role models. It should be a very fun event that all participants are looking forward to!

SOLICITORS

As the weather breaks, look out for home repair scams and fraud. Remember, door-to-door solicitors must first obtain a Solicitor's Badge from the Police Department that must be worn around their neck. Please note that just because a solicitor is wearing a badge does not mean the Village sanctions the product or solicitation cause. Solicitors may operate only Monday-Saturday between the hours of 9:00 a.m.-5:00 p.m. and are not allowed on Sundays or holidays. **"NO SOLICITORS"** decals are available at the Village Office free of charge. Please report any solicitation without a badge or during non-soliciting hours or disregard of posted **"NO SOLICITORS"** decal to the Police Department at non-emergency number 708-788-0318.

POLICE CONTRACT SIGNING CEREMONY

The Village is pleased to announce an agreement has been reached between the Illinois Fraternal Order of Police Labor Council and the Village. The new contract is for the period July 1, 2018 through June 30, 2021. A Police Contract Signing Ceremony was held at the March 12th Board Meeting.

The Village has a tornado siren which is tested the first Tuesday of every month at 10:00 a.m.

The siren wails for one (1) minute. If you hear the siren at other times, it is a warning that a tornado has been sited and may be headed towards our Village. If this happens, you should move to a safe place.

Although tornadoes can occur at any time of the year, they most frequently occur in spring and summer. By reviewing the following basic tornado safety points, you will be better prepared to protect yourself and minimize chance of injury:

- Remain inside – go quickly to a safe area away from windows, doors, corners and outside walls. The basement is a safe place; if none, go to lowest-level, interior room, with NO windows (such as closet, bathroom, or interior hallway).
- Listen to the radio or TV for severe weather alerts and updates. Keep a battery-operated radio.
- Be aware of flying debris. *Crouch down* under a heavy/sturdy piece of furniture such as a table, *bend over*, and *cover your head and neck with your arms* and use pillows, cushions, or any other cushioning materials.
- If you are in a car, get out right away. Get inside a sturdy building.
- If you are outside and cannot get inside, lie flat in a ditch or another low-lying area. Cover your head with your arms.

During a tornado crouch down, bend over, and cover your head and neck with your arms.

NEW AMBULANCE AND EQUIPMENT

The Village Board recently approved the purchase of a new ambulance, stretcher, and cardiac monitor. The new ambulance will be replacing our current one that is 14 years old and in need of costly repairs. On average, ambulances generally last 7 years so hopefully, based on our past track record, the new one will likewise serve beyond the norm. The new ambulance and stretcher will cost approximately \$190,000 in which the Village had budgeted for the expense. The Village is happy to report we will be receiving a grant up to \$10,000 from the Village's insurance company toward the stretcher purchase. The new stretcher will ensure a safer transport limiting injury of our paramedics. The cardiac monitor will be upgraded/new technology from our current aged monitor. The delivery of new ambulance is expected sometime in April. These purchases are paramount to providing excellent paramedic service which residents have come to know and deserve.

ACTING FIRE CHIEF

Thomas "Tom" Heller, was appointed Acting Fire Chief at the Special Board Meeting on January 16, 2019. As you know, he has a real love for this community having served as Trustee and later Village President. His career has always been in fire protection. He has been involved in this profession for 38 years. Most recently he was a part-time firefighter/EMT in Stickney in which he was Captain of Fire Prevention. In addition to general firefighting duties and ambulance calls, he has conducted inspections of businesses, fire inspections, life safety inspections, and fire investigations. He is happy to be helping residents in his new role.

Announcement!

The Loyola Emergency Medical Services System recently recognized Firefighter/Paramedics Christopher Dospoy, James Ciurej, and Jeff Bailey for exemplary pre-hospital care on a recent call on I-55 for a woman in labor in which they delivered the baby on the scene. They are trained to do this, but it seldom happens. They were presented Certificates of Appreciation at the Village's February 12th Board Meeting. We are very proud of their efforts!

Congratulations!

The Village is pleased to announce the promotions of a number of our Part-Time Fire Department staff:

- Alan Dudek to the rank of Deputy Fire Chief of Training
- Aaron "AJ" Airdo to the rank of Deputy Chief of EMS
- John Kiser, David DeLorenzo, George Dowling, Andrew Wilk, Jeffrey Bailey, Kristopher O'Rorke, Orlando Juarez, and Richard Musil to the rank of line Lieutenant

OPERATION SANTA DROP 2018

AND

HOLIDAY LIGHTS RECYCLING PROGRAM

Thank you to all those who dropped off food donations and toiletries which were shipped to our deployed Military Units during the past holiday season. Stickney Township collected 16,603 items that packed into 113 care packages. On behalf of Stickney Township and our Village, thank you for helping spread holiday cheer and for providing a bit of comfort and joy from home to our active military troops during the holidays.

Also, on behalf of the Stickney-Forest View Lions Club and our Village, thank you for dropping off holiday lights to be recycled which will benefit the programs and services offered by the Lions of Illinois Foundation. The Foundation offers support to individuals with vision and hearing impairments throughout the State of Illinois.
