

Holiday Greeting!

Hope you all had a wonderful Thanksgiving. This year, I was able to watch the National Dog Show without having to flip back and forth to a football game. After the show ended, I was tempted to watch, "Men in Black". I immediately thought of that movie after the winner was announced...Vito the Pug. Growing up with Lassie, my heart and votes always go out for the Collie. Maybe next year!

I'm seeing a lot of lovely Christmas decorations appear throughout the Village. Don't forget to call or email to register. (see flyer inside) You must register to be included in the contest. There is no fee. You have a chance to win a gift card for 1st, 2nd or 3rd place. We will call or email you the night the judging will occur so you can make sure your lights are on.

And kids, get those letters to Santa in ASAP. The postal service is not what it used to be as time for mail delivery has increased. Santa will personally answer all letters received. And parents, please make sure your child's letter has a complete return address and that it is legible including child's name. Last year Santa was very upset that some letters could not be answered due to names that could not deciphered, lack of proper address or an address that was not readable.

Santa and Mrs. Claus will be touring our Village on Christmas Eve (see flyer inside). You must come to curb to receive a special gift this year. We don't want to wear Santa out before he makes his midnight rounds to our homes. If there is a handicap situation and you cannot come to the curb, please call Village Hall and give your address.

Wishing you all a safe and warm Christmas filled with love and pleasant surprises!

Village President

One day your life will flash before your eyes. Make sure it's worth watching.
